This is the biannual call for applications for residencies at the College & Graduate School of Art’s Paris studio at the Cité Internationale des Arts. Applications are now being accepted for the period beginning January 2019 and ending August 2020.

All alumni, faculty, and students of the College & Graduate School of Art are eligible to apply for a residency at the Cité for a minimum two-month period. Artists working in any medium may apply.

**GROUND RULES**
1. Residency is available only to alumni, faculty, and students of the College & Graduate School of Art.
2. Residency must be for a minimum of two months.
3. The normal sequence for the two-year period is as follows: January–April, May–June, July–August, September–December (Milliken Foreign Travel Award and Graduate Student Cité Residency Award recipients).
4. The annual recipient of the Milliken Foreign Travel Award (a graduating undergraduate student) and the Graduate Student Cité Residency Award (a graduating graduate student) will be given highest priority in awarding residency.
5. Applications will be reviewed and assignments made by a committee of faculty and alumni.
6. The studio apartment will accommodate a maximum of two adults and one child (under seven years old)—no pets.
7. The Cité charges a "utility/maintenance" fee, and requires one month’s deposit to be paid in advance (one month prior to residency). Notification of rate changes is usually sent in January of each year. As of January 2018, the rate per month for one person is 487 Euro (approx. $586); the amount is based on the exchange rate as of January 2018. Additional charges apply for a second adult or a child staying in the studio during the residency, and for overnight visitors.
8. There are no funds available from the College & Graduate School of Art to finance residencies.
9. The College & Graduate School of Art will send résumés and a list of individuals who are chosen to the Cité. The Cité will contact you directly regarding rules and regulations, specific dates of arrival and departure, and fees.

**APPLICATION MATERIALS**
