SPRING 2018

ARCHITECTURE / LANDSCAPE ARCHITECTURE / URBAN DESIGN
CAREER CENTER PROGRAMMING

REVIT CRASH COURSE
5 SESSIONS STARTING 3/22 / WHITAKER LAB / 6:30-8PM
The Revit Crash Course is being offered by Alpha Rho Chi and the Career Center to give students the opportunity to learn REVIT and help give them the skillsets to be competitive in the work force.

WHAT IS YOUR STORY - PRESENTING YOURSELF
2/5 / GIVENS 117 / 7-8:30PM
Join us to learn more about discovering your story and why that matters. We will cover a variety of topics ranging from resume design, cover letters, and portfolios and how to present these materials, and yourself, in a professional setting.

DESIGN RESUME AND COVER LETTER WORKSHOP
1/29 / GIVENS 117 / 7-8PM
Find out how resumes are reviewed, what firms look for and how to make yours stand out from the crowd! Learn resume formatting and how to write outstanding accomplishment statements, cover letter and other job searching correspondence.

DIGITAL PORTFOLIO: THE PORTFOLIO ALTERNATIVE
2/19 / GIVENS 117 / 7-8:30PM
Learn the basics of what is required in a portfolio and how to present yourself in the digital age. Topics: Design, preparation, layout and presentation, the difference between a portfolio presentation for graduate school application and a portfolio for a professional interview. Enlist faculty and local professional. Quick portfolio pin discussion is also included into program.

PORTFOLIO SPEED REVIEW
2/21 / GIVENS 118, KEMP AUDITORIUM / 7-9PM
Have questions about your portfolio? Come to this informational session to ask any questions about what employers are looking for and what it should have. Local professionals provide one on one portfolio critiques and students can get an insight into what employers are looking for. Enlist faculty and local professionals to participate. Reviewers provide 15 minute critiques to students.

LANDSCAPE ARCHITECTURE FIRM CRAWL
3/30 TENTATIVE / TBD / 5-10PM
The firm crawl is a perfect opportunity to meet with LA / Urban Design professionals in the Saint Louis area. We will travel to several firms in the area to meet with local alumni and network with local professionals.

REVIT CRASH COURSE
5 SESSIONS STARTING 3/22 / WHITAKER LAB / 6:30-8PM
The Revit Crash Course is being offered by Alpha Rho Chi and the Career Center to give students the opportunity to learn REVIT and help give them the skillsets to be competitive in the work force.

PORTFOLIO WEEK

DIGITAL PORTFOLIO: THE PORTFOLIO ALTERNATIVE
2/19 / GIVENS 117 / 7-8:30PM
Learn the basics of what is required in a portfolio and how to present yourself in the digital age. Topics: Design, preparation, layout and presentation, the difference between a portfolio presentation for graduate school application and a portfolio for a professional interview. Enlist faculty and local professional. Quick portfolio pin discussion is also included into program.
